---

## ORDER OF ST. MICHAEL AND ST. GEORGE.

---

*(Vide Gazettes of 1st and 2nd July, 1869.)*

THE QUEEN has been graciously pleased to make the following appointments:—

*To be Ordinary Members of the Second Class, or Knights Commanders.*

Col. Thomas Gore Browne, *C.B.*, late Capt. Gen. and Gov. in Chief of the Island of Tasmania.

Maj. Gen. Chas. Hastings Doyle, Lieut. Gov. of the Province of Nova Scotia, in the Dominion of Canada.

## SOLDIERS' BALANCES UNCLAIMED.

In pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the next of kin, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the "London Gazette" and the "Army List," and is also to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as next of kin should be addressed by letter to "The Under Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the dates and places of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a justice of the peace. The applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicant's inquiries to give the number and date of the notice in which the deceased soldier's name appeared. Dated this 22nd day of June, 1869.

By Order of the said Principal Secretary,  
EDWARD LUGARD.

**NOTE.**—A copy of this Notice is to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

### Cl. 94.—Travelling Expenses—Giving and Taking over Barracks.

1. When a regiment or battalion changes quarters the actual travelling expenses necessarily incurred by the officer sent forward to take over the barracks will be admissible as a charge against the public; but no personal allowance will be given to the officer while so detached or during his transit, beyond what he would have received had he accompanied his corps.

2. The same rule is applicable to the officers necessarily left behind to give over the barracks which the regiment or battalion has vacated.

### Cl. 95.—Travelling Allowances to Commissariat Clerks.

Commissariat clerks, when travelling on the public service, will be granted the accommodation and the personal allowance of subalterns; but it is to be understood that they are not to be detached from their posts, except under emergent circumstances.

### Cl. 96.—Extra-Duty Pay to Acting Armourers.

It is notified with reference to Clause 74, Army Circulars, 1867, authorizing command and extra-duty pay (mixed detachments on board ship), that in the case of men acting as armourers to detachments proceeding to or from India, round the Cape, a sum of 24s. will be granted to the man, or among the men, performing the duty, on the production (at the conclusion of the voyage) of a certificate from the officer in command of the detachment that it has been properly discharged.

## ARMY CIRCULARS—continued.

**Cl. 97.—Married Servants.**

1. If the soldier servant of an officer is a married man and accompanies his master when ordered on duty away from his regiment or corps, the public must not be put to any expense for the removal of the soldier's family.

2. Clause 20, Army Circulars 1867, is hereby cancelled.

**Cl. 98.—Forms for Treasury Chests.**

Officers in charge of Treasury chests will be careful to make timely application to the Treasury for supplies of forms required for use in connection with the chests, in order that the necessity for printing such forms locally may be avoided.

**CONTROL DEPARTMENT.****Cl. 99.—Abstract of Orders, to be sent to Quartermaster General.**

1. As many questions and arrangements, which were formerly submitted from stations for the decision of the Secretary of State for War through His Royal Highness the Field Marshal Commanding in Chief, are settled locally under the Control system, general officers commanding will forward to the Quartermaster General, for His Royal Highness' information, monthly, on the form printed as an appendix, an abstract of all such decisions or orders issued by them.

2. Decisions or orders of exceptional importance should be specially reported to His Royal Highness on promulgation.

**Cl. 100.—Rents, Rates and Taxes.**

(Issued as a Special Army Circular, 2nd July, 1869.)

The following paragraph will be substituted for paragraph 55, Clause 47, Army Circulars 1869:—

55. Claims for rents for hired lands and buildings will be prepared and certified by an officer of the Control Department, and paid locally by the Control Paymaster. At foreign stations, the same course will be followed with regard to claims for rates and taxes for hired lands and buildings; but such claims in the case of lands and buildings the property of the War Department, will be prepared and certified by the Commanding Royal Engineer as their custodian. Claims for rates and taxes arising in Great Britain and Ireland will be sent to the War Office for adjustment instead of being paid locally by the Control Paymaster.

Clause 86, Army Circulars 1869, is hereby cancelled.

**Cl. 101.—Emptying Cesspits and Ashpits, Sweeping Chimneys, Supply of Lime and other Disinfectants.**

1. The necessary provision will be made by the Control Department for these services, which will continue under the supervision of the troops in occupation of barracks as provided for in Articles 941 and 943 Queen's Regulations.

2. Paragraph 61, Clause 47, Army Circulars 1869, is hereby cancelled.

**Cl. 102.—Disinfectants in Cases of Emergency.**

1. In all cases of emergency (except in the case of cholera, for which special provision has been made in the instructions issued thereon with Clause 83, Army Circulars 1867), when the use of disinfectants is recommended by the principal medical officer of the district, and approved by the general officer commanding, carbolic acid in powder will be employed if practicable, and the supply will be immediately ordered by the Controller, who will forward the Medical Officer's explanation of the circumstances, and a copy of the requisition for the covering sanction of the Secretary of State for War.

2. Clauses 92, Army Circulars 1867, 109, Army Circulars 1868, and 38, Army Circulars 1869, are hereby cancelled.

**Cl. 103.—Hospital Equipment.**

1. Controllers and other officers concerned are informed that stone beer bottles are removed from the hospital equipment.

2. Measures will be adopted for disposing of the bottles in question to the best advantage.

## ARMY CIRCULARS—continued.

**CL. 104.—Canvas Clothing for Working Parties.**

1. The Secretary of State for War has approved of the issue of canvas frocks and trousers for the use of soldiers employed, under the provisions of Clause 81, Army Circulars 1868, in cleaning and painting ordnance, &c.

2. The frocks and trousers will be similar to those hitherto supplied, under the provisions of Clause 9 of the Revised Royal Clothing Warrant, 1865 (W. O. Circular 891), for the use of men employed in cleaning rifled guns.

3. No further special issues under the above quoted Clause of the Clothing Warrant will be made, except to batteries of Horse and Field Artillery, as the proportions now authorized for the several districts or stations named below will provide for the men engaged in cleaning both rifled and smooth-bored ordnance. The clothing will be supplied on requisitions from the Control Department as follows, viz. :—

5. In each application the price at which the clothing can be purchased locally will be stated.

6. The clothing, whether purchased locally or obtained from store, will be brought on the "local charge" of the Commissaries, and will be by them served out when required. The suits for the Royal Artillery Service will be handed over to the officer commanding that corps at the season of the year most convenient for the work, and will be distributed when necessary to the non-commissioned officers in charge of the working parties.

7. At the end of each season the clothing used by the Royal Artillery, except such as may be necessarily retained for men employed in cleaning rifled ordnance, will be returned, properly cleaned and repaired, to the "local charge" of the Commissaries.

8. The clothing in use of the Store Departments will be handed out daily by the Commissaries to the military working parties employed in cleaning and painting ordnance, shot and shell.

9. The officer commanding Royal Artillery, and Commissaries, will make provision in their annual demands for such number of suits, or of frocks or trousers, as may be required to replace those worn out, so that the authorized number may be maintained. Each suit will be required to last at least three years.

**ARMY CIRCULARS—continued.**

10. The suits when worn out will be brought before a board of survey like other stores, and, if condemned, will be disposed of on the public account in such manner as may be most advantageous.

**MEDICAL DEPARTMENT.****CL. 105.—Annual Returns of Sickness and Mortality.**

1. Considerable inconvenience having arisen from delay in the transmission of the annual returns of sick and wounded (W. O. Form 298), the attention of medical officers is specially called to the instructions contained in the Medical Regulations, page 93, relative to the transmission of their annual returns and reports on or before the 31st January.

2. Principal Medical Officers are requested to see that this regulation is complied with, and to transmit these documents, with their general summary and report, as early in each year as possible, to facilitate the preparation of the Annual Volume of Reports.

**ADVERTISEMENTS.****CL. 106.**

1. With reference to Clause 22, Army Circulars 1869, and with a view to enforce the strictest possible economy in regard to advertisements, the following rules will in future be observed by officers of the departments of the Army authorized to incur expenditure for this service.

2. In drawing up advertisements all unnecessary detail will be omitted, and a note will be inserted referring persons to the proper officer of the War Department for all further particulars. Advertisements for contracts will be confined to a description of the general nature of the proposed tender and of the articles required.

3. Except in special cases, the number of insertions will be limited to two or three. When more than one insertion is ordered, care must be taken that a second insertion in the same paper is avoided unless any special reason should exist for the adoption of a different course.

4. Whenever it may appear expedient to insert an advertisement more than three times, the sanction of the Secretary of State at home, or General Officer Commanding abroad, must be first obtained for the additional insertions.

5. Advertisements will be limited to those papers which have the largest general or local circulation, or to those which from their professional, or class, character would appear to be best suited for the purpose. In order that officers in the United Kingdom may be enabled to make the most judicious selection, they will, if need be, obtain the advice of Mr. White, the advertising agent. It is however to be clearly understood that no papers must be selected which are not contained in the authorized list given in Clause 22, Army Circulars 1869.

**EDWARD LUGARD.**

# GENERAL ORDERS,

BY HIS ROYAL HIGHNESS

THE FIELD MARSHAL COMMANDING IN CHIEF.

1st AUGUST, 1869.

### G.O. 81.—Serjeant Cooks.

The following alteration is to be made in paragraph 528 of the Queen's Regulations and Orders for the Army:—

After the word "armourer serjeant" add "and serjeant cook," (to rank as a platoon serjeant.)

### G.O. 82.—Deserters.

Referring to paragraphs 432-3 of the Queen's Regulations regarding the disposal of soldiers discovered or confessing themselves to be deserters while serving, the necessary preliminary enquiry to establish the fact of the man's desertion will be made, directly, by the officer commanding the corps in which the soldier is, before the usual descriptive return, on W. O. form 88, is forwarded to the War Office.

Due attention to these instructions, and a strict adherence to the provisions of the 46th Article of War, will obviate the inconvenience and delay which have arisen in some instances, in proceeding against soldiers for the crime of desertion from other corps.

## Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The Intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to asking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

## Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Field Marshal Commanding in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

## SOLDIERS' BALANCES UNCLAIMED.

In pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the next of kin, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the "London Gazette" and the "Army List," and is also to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as next of kin should be addressed by letter to "The Under Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the dates and places of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a justice of the peace. The applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicant's inquiries to give the number and date of the notice in which the deceased soldier's name appeared. Dated this 16th day of July, 1869.

By Order of the said Principal Secretary,

EDWARD LUGARD.

**NOTE.**—A copy of this Notice is to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

**FINANCE.****Cl. 107.—Soldiers under Indian Pension Rules.**

It is hereby notified, with the concurrence of the Secretary of State for India in Council, that the rate of daily pension assignable to those soldiers, who on joining the Imperial Service from the Indian Army, decided to remain under the Indian pension rules, will in the event of such men being prematurely discharged (except on account of medical disability) under the Royal Warrant of the 1st May last, be subject to a deduction of one halfpenny for each year short of twenty-one years' service.

**Cl. 108.—Men Discharged after Imprisonment.**

Soldiers sentenced by court martial to imprisonment, and to be discharged from the Army at the termination of such imprisonment, will be borne on the strength of their regiments, and their names included in the muster and pay rolls until so discharged.

**Cl. 109.—Allowance for Collecting Boxer Cartridge Cases.**

1. The provisions of clause 66, Army Circulars 1867, are applicable to seamen and Royal Marines.
2. Military store officers will pay the allowance granted by that clause, on the receipt of the person authorized by the commanding officer of the party to return the cases.

**CONTROL DEPARTMENT.****Cl. 110.—Reports of Unauthorized Expenditure.**

1. Reports of unauthorized expenditure, or of special issues of stores, connected with Control services, will be made by controllers, who will obtain the approval of officers commanding to their reports, as directed in the "Method for conducting correspondence under the Control system."
2. Controllers will not be required to furnish any special report in respect of expenditure under the Vote for Works.
3. Reports of unauthorized expenditure, connected with the Works' Vote, will be made by Commanding Royal Engineers, who will obtain the approval of officers commanding to their reports.

## ARMY CIRCULARS—continued.

4. Whenever an officer commanding shall deem it necessary, under circumstances of peculiar and pressing emergency, such as a rebellion, or the sudden and unexpected breaking out of war, to order a work to be executed; or if, in his opinion, it is indispensably necessary for the health and comfort of the troops, or the safety of the buildings, that an expenditure in connection with barrack and other buildings, which has not been provided for in the approved estimates, should be incurred, without the delay of a reference to the Secretary of State for War, he will, in either of the above cases, call upon the Commanding Royal Engineer to prepare a plan and estimate for the emergent service, and report whether the expense, or any part thereof, can be met by postponing, or effecting a saving on, some authorized service. If the officer commanding approve of the same, he will affix his signature to the estimate, and give the Commanding Royal Engineer a *written* order to execute the work, recording thereon the causes and reasons which have induced him to take the responsibility of ordering the service without previous sanction, in order that the Commanding Royal Engineer may report the same to the Secretary of State for War, through the officer commanding, who will affix his signature to the report as a sign of approval.

5. This report will be forwarded by the first opportunity after the work shall have been ordered. In it the Commanding Royal Engineer will also state the time of commencement of the work, the manner in which it is being carried on, and the probable period by which it will be completed.

6. The report will be accompanied by a copy of the plans and estimates which have been approved by the officer commanding.

7. This report will be furnished for each service specially ordered by officers commanding, whether the service involve an excess on the amount authorized for works at the station or not.

8. If no excess on the particular part of the estimate to which the service is properly chargeable be involved, it will be stated in the report what funds have been made available out of the sum authorized for the station.

9. If an excess be involved, the Commanding Royal Engineer will pass to the Controller the written authority of the officer commanding for such excess, in order that the necessary funds may be provided. The vouchers and bills for all such works will be marked "special service, ordered by the officer commanding," and will be correctly headed and identified by the date of the order, and, also, when practicable, by the date of the War Office covering authority.

10. Under no circumstances will the Commanding Royal Engineer be justified in commencing a work until he has obtained an order in writing from the officer commanding.

11. The foregoing instructions will also be followed in cases where officers commanding may make application to the Secretary of State for War for previous sanction to execute a work not provided for in the approved estimate, and, at foreign stations, in cases when the amount of any item of an authorized estimate is likely to be exceeded.

12. Circulars Nos. 309, 310, 970, and Clause 76, Army Circulars, 1867, are hereby cancelled.

### CL. 111.—Issues of Stores under the Control System.

1. At stations where the control system is established, all demands from regiments, corps or departments for stores which have heretofore been administered by the Staff and departments of the Army generally, will be sent direct to the Controller at the station, which officer will be held responsible that no issues are made in excess of regulation without his having in the first instance obtained the special authority of the general officer commanding.

2. For all issues so made the officers commanding regiments and corps or the senior officer of the department to which the issue shall have been made, will be directly accountable to the Controller.

3. As the proportions of camp equipage to be drawn by troops to be encamped are fixed by regulation, returns will be sent by corps direct to the Controller, in order to give time for checking and issue. When only the regulated quantity is required, the returns will be sent as early as may be practicable.

4. When the general officer commanding finds it necessary to increase or diminish the regulated proportions of camp equipage, the changes will be communicated by an officer of the Quartermaster General's Department to divisions, brigades or regiments, and to the Controller.

5. Returns according to the amended scale will be sent in by corps and departments to the Controller, who will be held responsible that proper authority is forthcoming for the altered proportions, that the quantities are issued correctly, and for reporting them to the Secretary of State for War for final sanction.

**ARMY CIRCULARS—continued.**

6. In all cases when an increased allowance has been ordered by general officers, an immediate report will be made by them to the Quartermaster General, for the information of his Royal Highness the Field Marshal Commanding in Chief.

7. The foregoing regulation does not include medical stores and appliances, the issue of which will be governed by existing regulations.

**Cl. 112.—Issues on Repayment.**

Controllers and officers in charge of stores are informed that in future all claims for stores supplied on repayment, and which are reported on W. O. Form 1242, are to be priced and the values carried out, in order that the documents may be sent to the War Office in a complete state.

**Cl. 113.—Whitewashing Brushes.**

With reference to the instructions contained in Clause 7, Army Circulars 1869, for the whitewashing of barracks, the undermentioned descriptions only of brushes will be provided for this service, viz. :—

Brushes, whitewash	...	...	...	...	6 ozs.
"	"	...	...	...	9 "

**Cl. 114.—Assignment of Quarters, and Issue of Lodging Allowance.**

1. Applications for quarters will be sent direct to the Commanding Royal Engineer, who will assign them, when available, in conformity with the regulations.

2. Should no quarters be available, or being available, should the Commanding Royal Engineer consider them unsuitable to the applicant, a statement to that effect will be made on the requisition, which will then be submitted by the Commanding Royal Engineer to the general or other officer commanding, who, after referring to the Controller for any observations as to the charge to be incurred for lodging allowance, will decide on the course to be adopted.

3. Should the issue of lodging allowance be sanctioned, on the ground of an available quarter being unsuitable, the Controller will report the circumstances for the covering sanction of the Secretary of State for War in the manner directed for other reports of special expenditure.

4. Claims for lodging allowance will be sent in duplicate to the Controller by officers commanding corps and others at the regulated periods; when certified by the Controller they will be paid by the Control Paymaster, or by the Regimental Paymaster in the case of regimental claims.

5. Paragraph 43 of clause 47, Army Circulars 1869, is hereby cancelled.

**Cl. 115.—Mess Furniture.**

The Secretary of State for War has decided that the issue of furniture to mess establishments, provided for in War Office Circular No. 600, dated 19th June, 1860, shall be discontinued.

**Cl. 116.—Wicker Helmets.**

1. Troops proceeding to India from stations at which wicker helmets are the regulation head-dress, will in future take with them to India the helmets in their possession.

2. These head-dresses will be worn in India the full further period which would have been required at the station from which the troops proceed, and will, when worn out, be replaced by head-dresses of the pattern in use at the time in India.

**INSPECTION OF CAST-IRON GUNS.****Cl. 117.**

1. Regulations for the inspection, on service, of cast-iron guns, and for the rendering of returns of that description of ordnance, are issued with the present Army Circular to officers concerned.

2. War Office Circular 972 is hereby cancelled.

**ACCOUNTS FROM FOREIGN STATIONS TO BE SENT BY POST.****Cl. 118.**

1. Accounts and printed papers transmitted to the War Office from foreign stations will in future be sent by post, and not as ships' parcels, in all cases where they can be forwarded by British mail packets.

2. The packages will be made up in covers open at the ends or sides, so as to pass at the reduced rates of postage chargeable for book packets, and the postage will in all cases be prepaid.

ARMY CIRCULARS—continued.

**STATIONERY.****OL. 119.**

1. Attention having been called to the large supplies of stationery expended in staff and departmental offices, it has been decided to reduce the number of articles issued at the public expense; and accordingly, in future, only those articles enumerated in the revised W. O. Form 832 (printed in the Appendix to this clause) will be supplied.

2. Demands for stationery (on the revised W. O. Form 832, copies of which will shortly be issued to officers concerned) will be made annually, for the year ending 31st March, and transmitted to the Under Secretary of State for War in time to ensure their arrival at the War Office on or before the undermentioned dates, viz.:—

From China and Japan ... ..	1st September.
" Australia and New Zealand ... ..	1st October.
" Ceylon and Straits Settlements ... ..	
" Mauritius ... ..	1st November.
" Cape of Good Hope ... ..	
" St. Helena ... ..	1st December.
" West Africa Settlements... ..	
" West Indies ... ..	1st January.
" British North America ... ..	
" Malta and Gibraltar ... ..	1st February.
" Home Stations ... ..	

3. It will be distinctly understood that stationery is demanded for service of the year succeeding that in which the requisition is made, and it is therefore not due at the station until the 1st day of the following April.

4. Stationery is furnished to offices and not to individuals. Every serviceable article will therefore be left in the office for which it is supplied, and handed over to his successor by an officer quitting a station or office.

5. The quantity of every article remaining on hand at the date of making the demand must be shown, whether a supply is required or not, each column must be completed as regards receipts and expenditure, and a complete list given of the persons for whom supplies are demanded.

6. The maximum allowance per annum of the undermentioned articles will be as follows:—

For each person—

Pens	Steel barrel	...	4 dozen, with 4 holders.
	or		
	Steel nibs	...	1 gross, with 4 holders.
	or		
	Quill	...	100
Lead pencils	...	...	4
Blotting paper	...	...	4 quires.

7. It will be left to the Heads of Departments to distribute supplies to their subordinates, in such proportions as may best meet the wants of the public service.

8. The following will no longer be supplied as articles of ordinary office stationery, viz.:—cartridge, plain demy, and quarto papers, mill boards, cards, marking brushes, Imperial Calendars, needles, pins, wafers, wire files, paper folders, portfolios, erasers, clasp knives, scissors, strops and flat rulers. Printed forms and books, school materials, and drawing materials, will be demanded on the forms of requisition provided for that purpose.

9. The strictest economy will be exercised in the use of all articles of stationery supplied. Letters on the public service, when they occupy one page only, may be written on half sheets of paper. When demands are unusually large, cause should be assigned, otherwise the supply will be reduced.

10. Local purchases of stationery will in no case be made without the authority of the War Office first obtained.

## G. O. 86.—Arms of Regiments proceeding to India by Overland Route.

(Specially issued 12th August, 1869.)

It having been decided that the arms of troops passing through Egypt on proceeding to, or returning from India, shall be, in future, carried across the Isthmus packed in cases, the following arrangements are to be carried out, viz. :—

Regiments will embark with their arms in possession of the men, and the rifles will be placed in the racks prepared for them on board the troop ships.

Previously to the arrival of a corps at Alexandria or Suez, as the case may be, at such fitting time as may be agreed upon by the officer commanding the troops and the captain of the ship, the arms will be packed in the chests provided for the purpose on board the troop ships, and conveyed across Egypt. These chests have been prepared expressly to enable the arms to be packed quickly, without the use of screws or nails.

As soon as possible after the re-embarkation of the regiment at Suez or Alexandria, the arms will be unpacked and given to the men, and replaced in the racks for the rest of the voyage.

## G. O. 87.—Duties.

(Specially issued 13th August, 1869.)

I. In order to avoid the injurious effects which may be induced by drills and musketry practice immediately after vaccination, commanding officers will assign lighter duties to soldiers who have recently undergone that operation.

II. Medical officers are to furnish daily a list of the men whom they recommend for such exemption.

## GEN. ORDERS—continued.

**G. O. 88.—Books, &c.**

(Specially issued 13th August, 1869.)

I. Revised regulations for the instruction, formations and movements of the Cavalry have been approved and are to be strictly adhered to throughout the service.

II. The following number of copies will be sent to each regiment of Cavalry, viz. :—

- 1 copy for the commanding officer.
- 1 copy for the adjutant.
- 1 copy for the orderly-room.
- 1 copy for the serjeant major.
- 1 copy for each troop or squadron serjeant major, or quartermaster serjeant.
- 1 copy for each troop or squadron serjeant.

**G. O. 89.—Arms.**

I. It being of importance that the practice swords used by the cavalry should be of the same weight, length and shape as those with which the men are armed, officers commanding cavalry regiments are hereby requested to cast thirty of the worst swords in possession. These swords are to be handed over to the control department to be issued for practice.

II. Demands for new swords to replace those cast should, if necessary, be put forward.

**G. O. 90.—Army Reserve.**

The quarterly returns and reports prescribed by G. O. 90 of 1868, and G. O. 12 of the current year, are to be discontinued, when there are no volunteers for the Army Reserve.

**G. O. 91.—Examinations for direct Commissions.**

G. O. No. 723, dated 12th February, 1859, is hereby cancelled, the system laid down therein being no longer in operation.

**G. O. 92.—Musketry.**

Pending a reprint of the Musketry Regulations, the alterations noted in appendix A. are to be made in all copies in use.

**G. O. 93.—National Rifle Association.**

I. The Field Marshal Commanding in Chief has much pleasure in publishing, in General Orders, to the army, the thanks of the Council of the National Rifle Association to the officers and men whose services have been placed at their disposal during the last, and previous meetings at Wimbledon.

II. The council speak in the highest terms of the readiness and good will with which the various arduous and responsible duties assigned to them have been performed by all ranks and by every branch of the service, without whose zealous co-operation, it is stated, "it would scarcely be possible to carry on the work of the Association."

By Command,

W. PAULET, *Adj. Gen.*
